# COMPANY PROFILE

## — About Us

Sephecholo Inc. is a niche black-owned law firm based in Mafikeng, North-West. The firm renders its tailor-made legal services to individuals, businesses, and organizations. Our aim is to give excellent legal advice and support while keeping high standards of professionalism and honesty. We aim to be trusted partners for our clients, providing customized solutions and achieving successful outcomes for their legal woes.

## **Our Mission**

Our mission is to offer high-end expert legal advice and support while always acting with professionalism and honesty. We want to build long-lasting relationships with our clients by giving them personalized solutions and achieving positive results.

## **Our Vision**

We want to become a leading law firm known for our legal expertise, client-centred approach, and contributions to the legal profession. We aim to positively impact the communities we serve by promoting justice, fairness, and excellence within our firm.

## **Our Values**

**Integrity:** We are honest and keep client information confidential in all interactions.

**Client-Centric:** Our clients' needs come first, and we strive to exceed their expectations by giving them personalized attention and responsive legal services.

**Excellence:** We are committed to improving our skills and knowledge to provide the best possible results for our clients.

**Collaboration:** We work together as a team, using our diverse expertise to offer comprehensive legal solutions.

**Respect:** We treat everyone with respect and embrace diversity in our firm and client interactions.

## **Our Objectives**

- Build lasting relationships with clients based on trust, reliability, and successful outcomes.
- Stay updated on legal developments to provide the most effective solutions.
- Offer cost-effective legal services without compromising quality and value.
- Contribute to the legal profession through pro bono work, community engagement, and sharing knowledge.

## **Our Company Focus and Approach**

Sephecholo Inc. is a law firm that puts clients at the centre. We prioritize understanding their needs and building strong relationships based on trust. We take a proactive and innovative approach to solving legal issues and delivering effective solutions. Clear communication, efficient service, and continuous professional development are important to us. Sephecholo Inc. aims to be a trusted legal partner, prioritizing clients' interests.

## **Why Choose Us**

Choosing Sephecholo Inc. as your legal partner brings several advantages. We provide exceptional legal expertise, a client-centred approach, innovative solutions, a proven track record, and a commitment to excellence. We strive to deliver efficient and cost-effective solutions without compromising on quality or integrity.

Mr. Sephecholo

## **NOTEWORTHY MATTERS HANDLED BY THE DIRECTOR(S): SERVICES OFFERED**

**Corporate and Commercial Law:** Our achievements in litigation are too many to mention. Our director, Mr. Sephecholo, has acted on behalf of several public bodies in defence of claims instituted by and against various parties purportedly for breach of agreements with such entities.

We have also acted on behalf of several corporate bodies initiating or defending claims of a commercial nature including utilising insolvency litigation, section 417 enquires as a means for recovering debt.

**Employment Law:** Our lawyers have acted on behalf of various employees and directors of companies in relation to disciplinary proceedings and mutual separation agreements relating to the Chief Executive Officers of said entities. We have also advised on several restructurings both in relation to public and corporate entities.

**Family Law:** Mr. Sephecholo has handled countless intricate divorces, child custody matters, and maintenance cases, all of which were achieved by adhering to the clean break-up principle.

**Mining Law:** Mr. Sephecholo has handled various mining dispute matters on behalf of various community members. The disputes include surface lease agreements and community consultations for purposes of obtaining mining and or prospecting rights. Social labor plans.

**Land claims:** Mr. Sephecholo has also assisted various community leaders (Di Kgosi) with disputes relating to land ownership as well as enforcing the communal property Act.
